Report of Principal and School Improvement Council

Gilbert Elementary School celebrated its 12th year with the "GES Leads a Colorful Life" theme. We know that our students are the key to the future.

GES continues to face challenges that come with a diverse socio-economic population. More and more students have financial, emotional and social needs along with learning barriers. GES is working to address those needs with strategy-based instruction, personalized learning and faculty professional development.

Our teachers' growth continues through team learning in professional learning communities. GES teachers experienced a year of training in preparing for Common Core State Standards and developing successful strategies in reading, writing and mathematics.

Teachers continued their book study on "The 7 Habits of Happy Kids" by Sean Covey and "What Great Teachers Do Differently" by Todd Whitaker. Our staff will continue to implement FranklinCovey's "The Leader in Me" program with the assistance of district trainers. This supports our efforts to provide a positive learning culture. It is also very beneficial in modeling and cultivating positive behaviors in and out of the classroom. Mathematics Coach Heather Price worked with staff to provide our "First in Math" lab program and to provide effective instructional strategies through "Everyday Mathematics."

Amber Buzhardt, our technology integration specialist, taught teachers strategies for using technology in daily instruction as well as preparing and training students to better use technology in research-based instruction. Response to Intervention gave teachers strategies to implement meaningful instruction and to close achievement gaps.

Each year, the GES Student Advisory Council served in a leadership and ambassador role for our school. The SAC suggestion for expanding technology to our new "Learning Commons" continues. This includes new laptops and iPads for student research and project-based learning.

Data from Measures of Academic Progress, benchmark Voyager testing, common assessments and Palmetto Assessment of State Standards provides indicators of student progress. Students collaborate with teachers to set goals and measure growth throughout the year.

GES supported Relay For Life and St. Jude Children's Research Hospital through its annual "Math-A-Thon" with nearly 500 students participating. Teacher Judy Whitesell worked again this year to promote recycling and conservation at GES.

Our school benefits greatly from the support of our community and stakeholders. We feel confident we are preparing our children to be 21st century global learners and citizens.

Principal Timothy F. Oswald and SIC Chair Cher Davis

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.3
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Gilbert Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
